Kawasaki Z650 PERFORMANCE 2022

ER650KNFAN GN1

£8,849 ^{+OTR}
from £157.45 p/m

Like its predecessor, the superbly balanced Z650 offers sugomi performance and styling in a slim, compact middleweight package that features a 650cc Parallel Twin engine with strong low-mid range torque in a lightweight chassis. Engine refinements contribute to cleaner emissions and increased mid-range torque, new tyres offer lighter handling, and a redesigned tandem seat offers increased passenger comfort. Sharp new styling, highlighted by a new LED headlight and TFT instrumentation, gives this 2nd generation Z650 an even stronger sugomi presence.
